Cutting Out

Where theatre meets activism

A powerhouse of a show combining installation, live performance and collective acts of resistance.

In a tipi in the middle of Somerset, when she was a new mum and there were only the wilds, Viv Gordon remembers. Through her characteristic humour and warmth, Viv leads us through the act of remembering and what happened next.

5, 6, 7
JUNE

TOBACCO FACTORY THEATRES
BRISTOL

7.30pm
