# Cutting Out

Where theatre meets activism

A powerhouse of a show combining installation, live performance and collective acts of resistance.

In a tipi in the middle of Somerset, when she was a new mum and there were only the wilds, Viv Gordon remembers. Through her characteristic humour and warmth, Viv leads us through the act of remembering and what happened next.

20 & 21  
MAY

GUILDHALL  
GLOUCESTER

7.30pm

[Find out more and book tickets here.](#)
